**Clubhouse Adventure Camps**  
Camp activities will focus on weekly themes where children will enjoy participating in games, arts and crafts, fitness challenges, and daily swimming. Children can register in Junior, Intermediate, or Senior camps, based on their age. Camp runs from 7:30am until 6:00pm. Daily and weekly registrations permitted.

Swim lessons are offered Monday, Tuesday, Wednesday, and Friday for 45 minutes during camp hours. Staff will ensure your child is changed and ready to swim with our qualified swimming instructors at the designated time. Please sign up for the swimming lesson that coordinates to your child's weekly day camp registration. Registration will close on the Friday at 4:30pm of the week before lessons begin.

Day Camp field trips are an optional add-on to camp for \$35, and the location is subject to change based on weather conditions, number of campers, and availability at the site. Campers who decide not to participate in the field trip will have their regular daily activities to keep them busy! Registration closes the Tuesday before each field trip at 4:30pm, so please register in advance.
