Kingsville, ON, N9Y 2Y9

RE: Letter of Objection to Proposed Cell Tower Location

Dear Town of Kingsville Council,

At its Regular Meeting on February 21, 2023, Council of the Town of Essex discussed the new location being vacant land on the east side of Gosfield Townline West of the proposed telecommunications facility/cell tower in the Town of Kingsville.

As a result of the discussion that ensued, Council made the following resolution:

"That Council direct Administration to write a letter to the Town of Kingsville, and Council Members, indicating Council's concerns regarding the new location of the proposed telecommunications facility/cell tower and its proximity to future development in the Town of Essex."

Accordingly, Council determined that the new location of the cell tower would negatively impact the future development of the Town of Essex regarding commercial and residential developments scheduled to begin construction in the near future. Although Council has concerns regarding the new location, Council is not opposed in principle to the proposed Cell Tower itself. However, the Town of Essex Council respectfully asks that a more suitable location for the Cell Tower be considered.

We thank you in advance for your consideration and please advise further if you have any questions or need any further information in this regard.

Yours truly,

A handwritten signature in blue ink that reads "Shelley Brown".
