**Re: AODA Website Compliance Extension Request**

---

At its meeting of September 14, 2020, Council passed the following for your consideration:

Resolution # 20200914-281

- “1. **WHEREAS** Section 14(4) of O.Reg 191/11 under the Accessibility for Ontarians with Disabilities Act requires designated public sector organizations to conform to WCAG 2.0 Level AA by January 1, 2021;
2. **AND WHEREAS** the municipality remains committed to the provision of accessible goods and services;
3. **AND WHEREAS** the municipality provides accommodations to meet any stated accessibility need, where possible;
4. **AND WHEREAS** the declared pandemic, COVID-19, has impacted the finances and other resources of the municipality;
5. **AND WHEREAS** the Accessibility for Ontarians with Disabilities Act contemplates the need to consider the technical or economic considerations in the implementation of Accessibility Standards;
6. **BE IT THEREFORE RESOLVED THAT** the municipality requests that the Province of Ontario extend the compliance deadline stated in Section 14(4) of O.Reg 191/11 to require designated public sector organizations to meet the compliance standards, by a minimum of one (1) year to at least January 1, 2022; **AND**,
7. **BE IT THEREFORE RESOLVED THAT** the municipality requests that the Province of Ontario consider providing funding support and training resources to meet these compliance standards.”

The impacts of the pandemic on municipal finances and resources affect the ability of municipalities to meet the January 1, 2021 deadline for full compliance with WCAG 2.0 Level AA.

We humbly request the Ontario government consider an extension request, in addition to financial support and training due to the unprecedented impacts of the global pandemic.

Regards,

Tammy Fowkes
