Question and Answer

Q.1:

This tender specifies belly-dump trailers are the only approved trailer to apply stone with. Will the Town of Essex consider other alternatives?

A.1:

If the technology can provide the same service by delivering the same spreader rates as belly dumps, then this is something we can review, this method will be subject to approval by the town of Essex before awarding the tender to the successful bidder.

Q.2 Can you please confirm if the unit of measure is imperial tons or metric tons?

A.2 It is Metric Tons.
