Re: Provincial Health Care Spending and Sustainable Funding for Public Health Units

At its Regular Council Meeting held on June 15, 2026, Council supported the enclosed correspondence dated May 29, 2026 from the County of Prince Edward regarding sustainable funding for Public Health Units and correspondence dated June 3, 2026 from Northeastern Manitoulin & The Islands regarding Provincial Health Care spending.

Council accordingly passed the following resolution:

R26-06-282

Moved By Councillor Verbeek
Seconded By Deputy Mayor Shepley

That the correspondence from County of Prince Edward regarding Sustainable Funding for Public Health Units, be received and supported;

That the correspondence from Northeastern Manitoulin & The Islands regarding Sustainable Funding for Public Health Units, be received and supported; and

That a letter from the Town of Essex be sent to The Honourable Mark Carney, Prime Minister, The Honourable Doug Ford, Premier and Ken Blanchette.

Carried

I trust you will find this satisfactory. If you have any questions or comments, please feel free to contact the undersigned.

Yours truly,

May 29, 2026

Please be advised that during the regular Council meeting of May 26, 2026 the following resolution seeking support for sustainable funding for Public Health Units was carried.

RESOLUTION NO. 2026-244

DATE: May 26, 2026

MOVED BY: Councillor Roberts

SECONDED BY: Councillor Nieman

WHEREAS Ontario public health units and agencies provide a vital service to Ontarians that keeps people healthy, out of hospitals and out of the acute care system;

WHEREAS rural-urban equity in Ontario's public healthcare delivery is essential for a thriving provincial economy that keeps people at work and contributing;

WHEREAS Ontario's public health units & agencies sector has received a mere 1% in its annual budget increase from Queen's Park since 2018, a sum significantly below inflation and real-world cost increases;

WHEREAS public health faces steadily increasing demands, such as a 231% increase in respiratory outbreaks supported in Ontario's long-term care homes, hospitals, and retirement homes since 2018, as well as a 637% increase in Infection Prevention & Control complaints follow-ups;

WHEREAS according to the Association of Municipalities of Ontario (AMO), municipalities across Ontario spend close to \$4 billion on health despite receiving less than \$2 billion in provincial grants, and Canada's Constitution Act 1867 clearly asserts provincial responsibility for health;

WHEREAS Ontario consistently ranks at the bottom for provincial health spending per capita, at \$876 below the average of other provinces using 2022-2023 data;

WHEREAS 60% of Ontario's hospitals are overwhelmed and in dire operating deficits, yet the Canadian Public Health Association asserts that investment in Ontario public health's preventative and health promotion initiatives delivers a 4:1 return on investment, for example, for every dollar spent on upstream public health vaccine immunization of children, \$16 in downstream hospital and primary health care costs are saved;

WHEREAS municipalities are being asked to shoulder an escalating percentage of public health unit costs while also asked to solve complex social determinates of health such as rural homelessness and food insecurity but with limited revenue tools;

WHEREAS the province and federal governments continue to collect significant revenue from local/municipal property transactions through the Land Transfer Tax and Goods & Services Tax;

NOW THEREFORE BE IT RESOLVED THAT The Council of the Corporation of the County of Prince Edward requests:

1. **THAT** the Provincial Government redistribute a portion of the Land Transfer Tax to municipalities to address public health funding gaps and the rising % share of municipal contributions to public health units;
2. **THAT** when the province announces its new Ontario Public Health Standards, it also commits to minimum annual funding increases tied to Ontario's consumer price inflation, currently holding at 2.4%;
3. **THAT** this resolution be forwarded to Prime Minister Mark Carney, Premier Doug Ford, the Ontario Minister of Finance, the Minister of Municipal Affairs and Housing, Bay of Quinte Member of Parliament, Chris Malette, and Member of Provincial Parliament, Tyler Allsop; and
4. **THAT** this resolution be forwarded to all 444 Municipalities in Ontario, the Federation of Canadian Municipalities (FCM), and the Association of Municipalities of Ontario (AMO) Rural Ontario Municipal Association (ROMA) and the Eastern Ontario Wardens' Caucus (EOWC) for their endorsement and advocacy.

Yours truly,

Catalina Blumenberg, **CLERK**

June 3, 2026

Please see attached a motion passed unanimously by our Council regarding the need of our health care system.

Resolution No. 133-06-2026

Moved by: D. Orr

Seconded by: G. Williamson

Whereas the Canadian Center for Policy Alternatives (CCPA) has conducted research which unequivocally identifies that Ontario Hospitals are underfunded by the Government of Ontario;

And Whereas the CCPA study, Failure by Design, clearly identifies that smaller and rural hospitals are disproportionately disadvantaged by the underfunding;

And Whereas as a direct result of the underfunding Emergency Department wait times for an initial physician assessment have increased to 4.5 hours in 2024 – 2025 from 2.7 hours in 2020 – 2021;

And Whereas 90 percent of patients spend on average 44 hours in the emergency department waiting to be admitted when further care is required;

And Whereas the Provincial Government increased total health care spending from 7.4 percent of GDP in 2014 to only 7.6 percent of GDP by 2023, which did not keep pace with raising health care costs:

Therefore be it resolved that the Council for the Town of Northeastern Manitoulin and the Islands request that the Province of Ontario provide immediate and sustained funding to improve hospital finances and capacity, which as per the recommendations in the CCPA study, would require an immediate injection of \$3.2 billion supported by annual increases of 6% per year thereafter.

Carried

We would appreciate your support by forwarding your supporting motion on to the Provincial Government.

Thank you
