## 2026 SQUAD CAMP Code: 23418 Ages 10-14 Maedel Community Centre

This year, our campers, age 10-14, will have a blast engaging in a variety of opportunities tailored just for them!

Campers will take part in skill-building activities such as first aid, bike safety, babysitting, cooking and more.

Campers will explore spots around town including the splash pad, Sadler's Park and fire station and swimming at the Essex Recreation Complex Monday, Wednesday and Friday.

While campers will have exclusive opportunities designed for their age group, they will still be able to join weekly field trips, hot lunches and enjoy special guests on Wednesdays with the other camps.

\*Squad campers must be comfortable riding a bike independently and maintain pace with the group.
