Re: Telecommunications Cell Tower

At its Regular Council Meeting held on March 3, 2025, Council passed a motion in support of the activation of the telecommunications facility/cell tower on Gosfield North in the Town of Kingsville. Council highlighted the importance of telecommunications for safety and day-to-day business operations which has become a necessity for everyone.

Council accordingly passed the following resolution:

Moved By Mayor Bondy
Seconded By Councillor Matyi

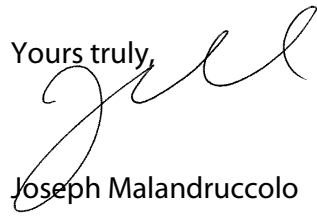

That the Town of Essex send a letter of support for the expansion of the telecommunication network in the region to benefit the community as a whole;

That TELUS completed the consultation process that was required by Kingsville's policy and ISED and received the concurrence letter from the Town of Kingsville where the structure is located. In this context, the Town of Essex reviewed the location that TELUS is proposing for the installation of the telecommunication tower in the Town of Kingsville located on Vacant Land on County Road 23; GOSFIELD NORTH CON STR PT LOT 281 RP 12R22814 PT Parts 3 to 5 12R23080 Part 2; Town of Kingsville; and

That the Town of Essex supports the installation of the tower and is encouraging TELUS to put the tower in service as soon as possible, as it will also benefit the community of Essex.

We trust you will find this satisfactory. If you have any questions or comments, please feel free to contact the undersigned.

Yours truly,

Joseph Malandrucolo
